

# Clifton Green Primary School

## Spring 2 Enrichment Clubs

We are pleased to be able to offer these extra-curricular activities for the summer term. Eligible year groups will have received an email about the clubs. To sign up please use the google form located within the letter. There may be additional lunchtime clubs available to all year groups which will run throughout the term for example Library club and drawing club but there is no requirement to sign up for these. Please ensure children understand that they should **make a commitment to attend every session and follow our school expectations** during any club, being **Ready, Respectful and Safe**.
